## Marijuana Use on Liquor Permit Premises

TO: Liquor Permit Holders  
FROM: Sheryl Maxfield, Director, Ohio Department of Commerce  
Andy Wilson, Director, Ohio Department of Public Safety  
James V. Canepa, Superintendent, Division of Liquor Control  
DATE: December 15, 2023  
RE: Adult Use of Marijuana in Liquor Permit Premises

~~~~~

On November 7, 2023, Ohio voters approved Issue 2, which legalized the adult use of marijuana. That law went into effect December 7, 2023. With the enactment of Issue 2 legalizing the adult use of marijuana in Ohio, numerous permit holders have asked whether the use of marijuana is now allowed in their liquor permit premises.

Under the Issue 2 statutory language that was enacted, liquor permit holders can still be issued an administrative citation if they allow the use of marijuana in their permit premises.

The Ohio Department of Commerce's Division of Liquor Control is charged with the responsibility of controlling the manufacture, distribution, and sale of all alcoholic beverages in Ohio. The Ohio Department of Public Safety's Investigative Unit, with local law enforcement, have enforcement authority over Ohio liquor permit holders. The Ohio Liquor Control Commission hears all administrative citation cases.

With regard to the adult use of marijuana in a liquor permit premises, Ohio Administrative Rule 4301:1-1-52(B) states that no permit holder, his agent, or employee shall knowingly or willfully:

(5) Allow in, upon or about the licensed permit premises, or engage in or facilitate in, the possession, use, manufacture, transfer, or sale of any dangerous drug, controlled substance, narcotic, harmful intoxicant, counterfeit controlled substance, drug, drug paraphernalia, or drug abuse instrument as said terms are defined in ORC Chapter 2925.

While Issue 2 legalized the adult use of marijuana, it did not change the status of marijuana as a controlled substance. Therefore the above prohibitions of OAC 4301:1-1-52 are still applicable. As such, liquor permit holders who knowingly or willfully allow the use of marijuana in, upon, or about their licensed permit premises are subject to administrative citation.

# Newark Lodge Drug Awareness Contest Winners to be Awarded

110 students in the Newark City Schools *After Schools Adventures* program participated in the Newark Elks Lodge Drug Awareness contests this winter. The kids are in grades 2<sup>nd</sup> through 8<sup>th</sup> and are from 5 schools across our district.

The *After School Adventures* program is a 3 hour after school program where students are able to get a snack, do their homework with help if needed, and have time for fun activities.

The contests are part of the National Elks Drug Awareness Program. (The coloring page, not included by National, for 2<sup>nd</sup> graders was included by the lodge because of the large number of students who wanted to participate.) The contests included a coloring page for 2<sup>nd</sup> graders, Poster Contest for 3<sup>rd</sup> through 5<sup>th</sup> graders, an Essay Contest for middle school students, and a Video Contest for middle and high school students.

Their submissions were completed and turned into the lodge by February 1<sup>st</sup>. Those entries were graded and the winners were sent along for competition at the district level, then those winners sent onto the state for competition with other entries from around Ohio with the winners in each category sent onto the National program for competition.

The winners from our lodge will receive a certificate and a Walmart gift card and are as follows;

2<sup>nd</sup> Grade Coloring Page – Elizabell Gambill  
Poster Contest – Lydia Bawi  
Essay Contest – Emma Davies  
Video Contest – Heritage Team –

Tristan Fogle, Zavyer Elizondo, Asher Elizondo, Xahvier Spadin, Nyree Street, Landen Salinda, and Dominic Walton.

The Lodge Drug Awareness Committee will present the awards to the kids at 6:30pm on Tuesday, March 19<sup>th</sup> in the ballroom before the lodge meeting. The students, their parents, teachers, and school administrators have been invited to attend.

Some of these kids have won the district and even the state contest, but I won't give that information away right now.

All lodge members are welcome and encouraged to attend.
